MADE IN GERMANY

BALTO

UPDATED
SELECTION

Front panel and carcass available in any combination

Handle: see detailed description

Only washbasin vanity units:

- grooved fronts with chrome-coloured and black inlay
- glass fronts with chrome line

CARCASS QUALITY:

COMFORT N: drawer with metal frame and soft close, carcass with 1.0 mm edge, incl. door damper, cap for mounting brackets

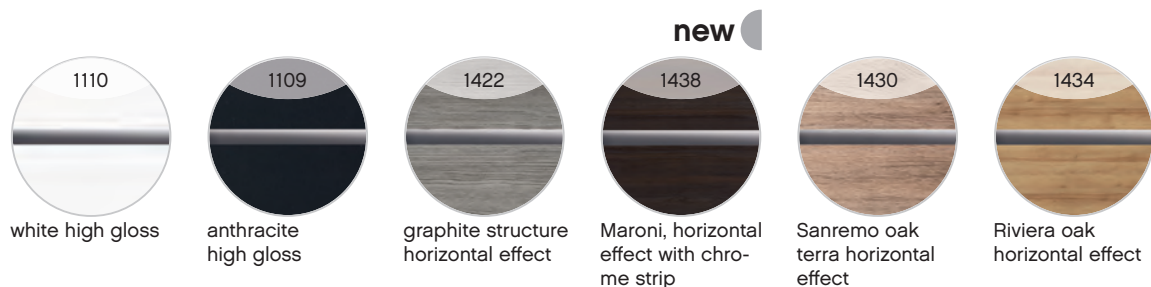

FRONT QUALITY:

PG 1: deep-drawn MDF foil

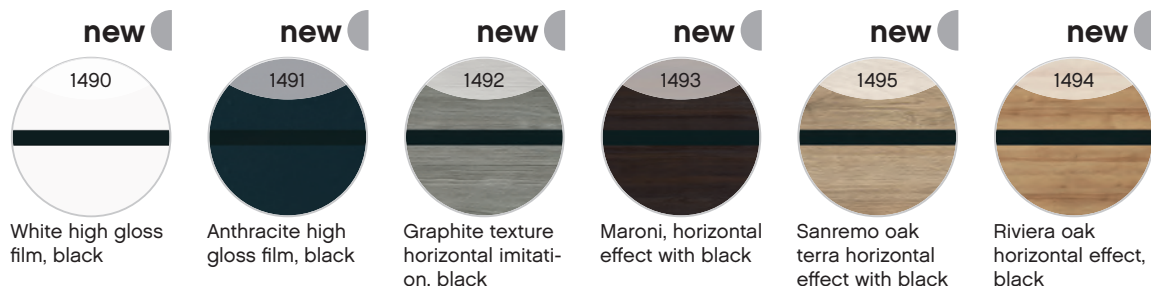

PG 2: glass with varnished back on mounting plate, with glass-look plastic edge

Front panel décor PG 1

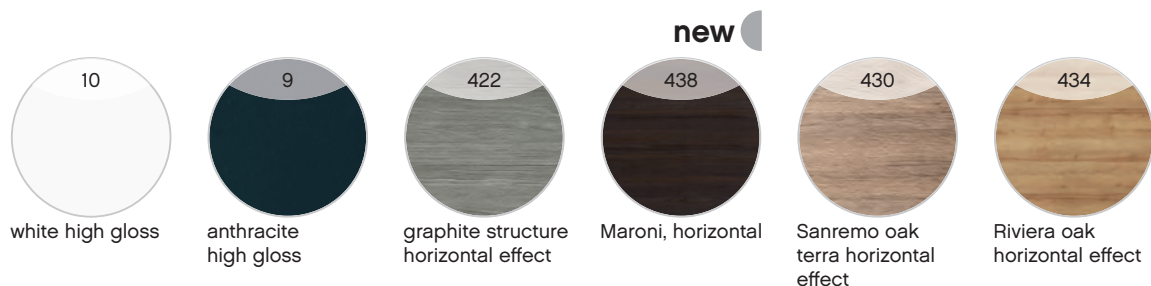

Fronts with chrome-coloured insert (for washbasin vanity units and handle styles A2, Z1)

Fronts with black insert (for washbasin vanity units and handle style V2)

Front panels without insert (for washbasin vanity units and additional articles)

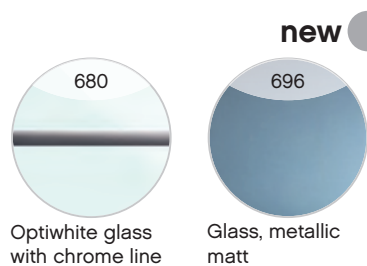

Subject to technical and constructive changes to the products in the interests of progress as well as errors and colour deviations.
The original colour and finish cannot be inferred from the colour representation of the brochure and décor illustrations.
A consistent décor between the individual front parts cannot be guaranteed.

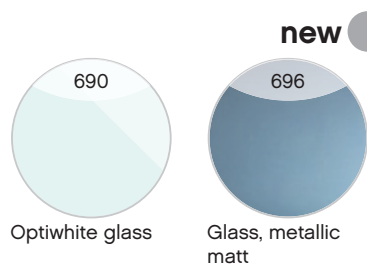

All lights / electrical components may only be used along with products from the catalogue!

front colours PG 2:

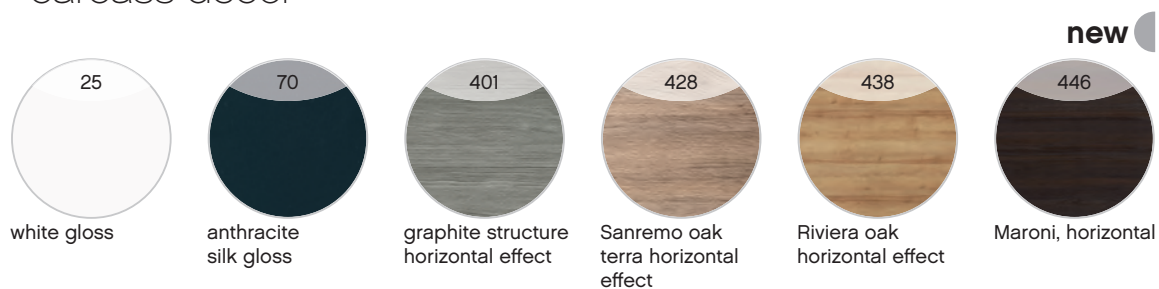

glass front for washbasin vanity units

glass front panels for additional articles

carcass decor

Subject to technical and constructive changes to the products in the interests of progress as well as errors and colour deviations.
The original colour and finish cannot be inferred from the colour representation of the brochure and décor illustrations.
A consistent décor between the individual front parts cannot be guaranteed.

All lights / electrical components may only be used along with products from the catalogue!

mineral marble washbasins

white gloss

handles

new

A2 model
chrome gloss

Z1 model
chrome gloss

V2 model
Matt black

Glass fronts only available combined with handle Z1 and V2.

Due to differing door shapes/widths, the handle dimensions/lengths are permanently assigned.

Subject to technical and constructive changes to the products in the interests of progress as well as errors and colour deviations.
The original colour and finish cannot be inferred from the colour representation of the brochure and décor illustrations.
A consistent décor between the individual front parts cannot be guaranteed.

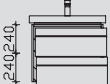

All lights / electrical components may only be used along with products from the catalogue!
